“ Billy will always be remembered by me through the eyes of my children. They loved Billy so much and he treated them like they were his own. I will always remember jaxton saying I want to go play with Billy whenever we were doing something either he couldn't attend or just didn't want to go. He always would rather go play with Billy!!! And that tells me all I need to know about a man right there. He was and will always be in my kids hearts keeping his spirit alive. Mckenzie will always remember the magic tricks he would teach her and Kaleigh on their many sleepovers. She said he was the only one strong enough to do the ketchup trick with tears in her eyes. Billy you were good man and will greatly be missed but I know the love and memories you showed and made with my kids and yours will be with them forever. Thank you and we will help watch over your family because you were and will always be a part of ours. Until we see each other again know that you and them will be loved!!!!

“Where do I start?...I guess from the beginning when I first met Billy. On December 26, 1986, my family moved from Louisiana to Hot Springs in the same neighborhood as Billy. Our dog got out that night while we were unloading our stuff, and this little 6th grader helped us find our dog. That 6th grader was Billy. After Christmas break, Christy started school at Lake Hamilton and learned that she was in his class. From that very moment, she loved Billy. That love grew and they married after high school. So, Billy has been in my life for 29 years so very few memories without him. He was the brother I never had. I thank him for loving my sister, but most of all for giving my family my niece, Kaleigh. He was a great daddy to her and they both loved each other so much. We not only have all our precious memories, but in Kaleigh we have your legacy! We will take care of her, and know you are looking down on her. I will miss you, Billy, and, forever love you. Rest in peace brother!

“I knew Billy through his daughter Kaleigh and his wife Christy, through my dance studio in Hot Springs. Billy was always happy, smiling and loved life! I know he was a devoted, caring person and a wonderful Father and Huband to them both! He adored Kaleigh and showed it many, many times by participating in our Daddy Daughter dances each year. He was always there with a smile on his face learning every step, sharing laughs and enjoying every moment of their special times together! I am so glad Kaleigh has those memories to forever hold with her! I always admired his willingness to stay longer than others to make sure he had every movement down! I know he enjoyed watching his KK dance and "light " up the stage! I am so sorry for your heartbreaking loss! Prayers to all the family! Love you precious Kaleigh and Christy! “ On Wednesday November 25 2015, My heart was weighted down with the loss of my son-in-law Billy. Great husband to my daughter, very good dad to my granddaughter but most of all, my best friend for the most part of 31 years. I will miss our many fishing trips, hunting trips, all good times we had together. I will miss the music we shared and his voice while playing the guitar. Billy, thanks for being the Husband ,Dad and my BEST FRIEND. LOVE YOU SON, RIP.
