*“ I am so sorry for your loss. I just learned of Mr. Charlie's passing upon returning to school. Don't know if he ever mentioned the girl at elementary who took his picture and talked of him looking so much like her own daddy that had recently passed. His looks, his kind actions and his teasing me each morning brought many memories of my own dad. Mr. Charlie was a good, kind man!! I sure he will get to meet my dad in heaven!*

*“ I got to know Mr. Charlie when I worked at Arkansas County Tractor Co. in DeWitt. He always had a smile on his face and laughing about some mess when he came by for a visit. I didn't see him for several years and one day he came by Pendleton Warehouse and I was working there. We got caught up with each other and every now and then he would stop by just to say hello. Please accept my condolences. You all will be in my prayers.*
