*I just found out about Mr. Hartoon's passing. I'm so sorry for your loss. His Grandson, Josh & my kids were friends in school. Josh is buried near my Dad & brother, so when I would go to clean up or just visit their graves, I would always see Josh's Papa out there taking care of his...Now they are together again as I know how much they had to love each other! :) God Bless you all & prayers for you through Christmas.
