“ *Charlotte is my first cousin I remember at the age of six and she was nine. We moved to Arcata, CA, where they lived so my Dad could find work. Charlotte's Dad and my dad are double first cousins. We lived there for 18, month and then moved back to the valley because it was so cold there in Northern CA and they moved back to AR. We would touch base off and on during visits. Our last visit was two years ago and we have wonderful memories and a reluctant picture of Charlotte. Even through we just saw each other sparingly I do miss her knowing she will not be there for the next visit. My heart goes out to you all.*

“ *You were like another mother to me. Loved spending the weekends with Teresa & on school nights you'd have our clothes ironed - never good bye, just see you later. Sincerely, Angela as you called me* †

“ *Charlotte was a second mother to my daughter when she started her job with the Hot Springs Police Dept. She became a member of our family after we spent many vacations at my daughters. She was the most wonderful person you would ever want to know, always helping someone. She will be missed by any who knew her. My prayers are with her family. Love you my dear Charlotte.
