“ Cher and I graduated Mena High together in 1970, she was a great friend, always smiling and laughing, so very smart, way above the rest of us. I will miss her, but have lots of memories of our times together and also high school pictures. My Prayers are with all of the family, Time and God will heal.

I want to express my sincere condolences to all her family members and hope you find peace and comfort. She was a very special individual...tlg
