“ *I will always remember him as my bubba, Nana used to watch my 2 kiddos for many years and they always treated us as family. I had the honor of being apart of their loving lives. I'll never forget my 16th Birthday bubba took me and bought me speakers for my 1st car and hooked them up for me, then we went to Acapulco's Mexican restaurant for dinner. He always made me laugh but most of all taught me some really good life less and his advice was always the best. You and Nana will always be some of my favorite people. Please watch over all of us from above. I love y'all and praying for all the kiddos.*
