“ I've been friends with this family since I was 14 years old. This is me and Chris at the homecoming dance at hot springs high school. He was a freshman I was a junior. He sure did rock the heck out of that Johnny Carson funeral suit And skate shoes with the undercut pony tail. Adorable. Priceless..i remember being dumped 3 days before this dance by a guy I had dated almost 2 years. I was so sad cuz I didnt have a date and this was to be my first ever dance to attend. As soon as I told him what happened he said well I would kill to have such a beautiful girl like you as my homecoming date....hes A (bad word) and he Don t know how lucky he was to have u. I started tearing up and thats when he asked if I would like to go with him. Hell ya was my answer. He was a good friend we had a blast. Love ya and miss you chris!! Hope to see you again one day when my time comes...tell crystal and my son Jo that I love them and miss them so!!!!!!fly high and rest in love brother!!
