Lean on friends and loved ones when you need to and, be ready to stand and be the person they can lean on as well. You guys are in my thoughts and prayers for the healing process to begin early! “ I went to nursing school with Cindy. We graduated together. She was a warm, wonderful and loving friend to everyone. She never met a stranger. She had a way that would put everyone at ease. When I met Cindy, I felt like there was never a "getting to know each other" stage. The instantaneous friendship was natural. Throughout the years, from time to time, we would encounter each other. It was like no time had passed. I was saddened to hear of her passing. I had no idea the situation she was dealt. But, that was Cindy....not wanting to make a big "deal" about it. A beautiful lady. A beautiful soul. My prayers and love to you and your family.
