“ To the Kemps, I appreciate ALL Mr. Clayton did for my son when he was growing up with Shelton. He would take the boys bowling and out for fun.... He showed me compassion and care when the time came to say goodbye to Cameron. He was the first place I went when I said my final words to my son. I think of him from time to time and I will for the rest of my days. - Love to you, sir. I know you are back with your Shelton.... 💙🌹🕊

“ I met Clayton in 2016 at Lake Hamilton ReStore. I always looked forward to his visits. After moving to HSV ReStore I found that he was a Loyal Habitat Customer and I would see him quite often. It seems that it was just a few weeks ago when he visited. Deeply saddened to see the news of his passing. I know he loved his family and always was attempting to fix or replace something that needed attention. Rest in Peace my Friend!
