“ I am just now seeing this. Jean was like a mom to me, we would often go on Vacation with my Mom and I and She was in my First Wedding. And the day I had my Son she was right there at the hospital and kept poking her head into the room to see if we needed anything. I loved her so much. I'm so sorry.

“ I will never forget Jean. Growing up in the ClubCafe, Jean and my mom, Margie were best friends. Jean was like a second mom to me. I will always cherish her and love your family!

“ Words won't express the loss that today brings with it. Nearly all my favorite things can be accredited to my grandmother. My love for elvis, the color pink my spice for life, and my love with makeup. She will be greatly missed by all that had the pleasure of knowing her.
