“ Connie was my niece. Life was pretty hard for her for most of her years. For many years we were "out of touch". I remember her as a little girl and then as an adult the last 4 years or so. The Lord works in mysterious ways. Connie told me she was a Born Again Christian and I believe that to be true. She is now without pain and suffering and is, as the old hymn says, "safe in the arms of God". Praise God! My condolences to her immediate family and close friends.
