“ *Connie was such a wonderful person. We had a close and special relationship since we were children. Always in trouble. She would go hunting with me at mawmaw's farm in Somerville Tn. when we were very young and we always kept in touch over the years. I called her Loraine and she called me Ronnie Mac. She called me often saying we missed each other and wished I would come visit. Our homes were always open to each other. I miss her but know she is sitting on the right hand of God at this moment. Till we meet again. I love you Loraine*
