“ I’m sorry to hear of Coretta’s passing. I knew her through my law practice. I always admired what a dedicated and hard worker she was, and I was honored to get to help her. I will remember how thoughtful and kind she was. When I finished my work for her, she sent me a beautiful poinsettia as a thank you. It was a happy surprise that I still tell people about to this day. Your family will be in my thoughts.
