“ *Always kind and caring. NO matter what a patient needed she always took care of it. She made the best pies. You could stop and have a fresh cup of hot coffee and a fresh slice of pie. Do any of you remember the place? If you lived here in Hot Springs then you will know what I am talking about.*

“ To all the family, my deepest condolences. I am heartbroken for all of you. Cyndy will always remain a treasured memory for me - she was my "other" big sister as she and Jill were connected at the hip. I always looked forward to her visits with Jill - Cyndy just lit up the room! Cyndy knew how to spread joy and for that I will always be grateful.

Suzanne, be strong. All the love Cyndy has will lift her straight up. I love you very much and so sorry to hear this. Thank you for sharing your beautiful sister.

“ I am one of Cyndy’s cousins, Lisa Ann Felts. My dad Harold Clinton Felts, SR was the brother of Mary Lou Felts Franks. I am deeply saddened to hear of Cyndy’s passing and wish to extend my condolences and prayers. Prayers to God to give eternal peace to Cyndy’s departed soul.

I am sitting here remembering the times we spent together in summers long ago visiting and getting to know each other. My memories from my childhood are of youthful cousins and uncles enjoying the things kids and teenagers enjoy like swimming and skiing in the lake, going to the movies, sharing meals and just being together.

I pray that God gives you strength to cope up with the loss and comfort in this time of grieving.

Love to all, Lisa

“ *Debbie, Suzanne & Family: It was such a shock to read about Cyndy. We shared a lot of fun times in grade school & Jr. High. We lost contact when we went to high school but a few years later we connected again. She was living on 3rd Street, just down from Oaklawn School...we shared many special times together with friends. Then we lost contact again, but I would see her every few years when I was shopping. I remember her senior picture & it seems like just yesterday when we had them made. I will never forget her sweet smile & her brown eyes that popped with mischief. I'm sure her nursing was a blessing to all that she took care of...if she loved you or what she was doing, she was committed 150%. My heart breaks for you. I have you in my prayers, that God will wrap you in His loving arms and you will feel not only the love & comfort that comes from Him but also the love from your many friends. Love & Prayers,*

I loved Cyndy's openness and her gut honesty. She was a person who I learned to admire.
