“ As I remember you my classmate, Darren...in High School, you were such a happy person all the time. You were an example for others for sure and I know you made your Momma so proud! Praying for her in the days ahead as I know she will be hurting without you with her. We will meet again one day through Jesus he promises us this! :) Cindy

“ I met Darren through the Piney Vol. Fire Dep. many years ago. He always had good advice and some laughter to share. I only knew one other Constable back then. And knew very little about the job. I guess he inspired me enough . Seeing him working and serving his community with the Garland County Sheriff's Dept. I too became a Constable, still serving since 2005. He was a great man and mentor. He will be missed. Much love to the family. Constable Bill Carpenter.

“ Darren was the best cousin and friend in the world. In the last year after my daddy passed in 2018, Darren and I were close, speaking every week sometimes 3 or 4 times. He made me laugh and helped me survive an unbearable year. That's how he was. I'm so very blessed to call him family. Darren I love you cuz!!! I will miss our talks and laughs. God bless you❤️
