“ Shelly,
Oh how well I remember. The year was 2010; David, Roger Stahl and I played together in the annual Fore Seasons tournament. I have our picture mounted here at home. It was a great day that I will never forget.

I can only wish you strength in this time of grief.

“ Shelley, so sorry I couldn't personally be there to give you a hug. I truly will pray for you and your family. I've been in this same place before and it is hard but you will get stronger each day.

David painted my house for me before I moved into it back in 2010. I had picked out a color of yellow for a bedroom and David said Ms. Kay are you sure about this color. Of Course it turned out too bright like he said and he told me he wished he could have seen my face when I saw it done. He was very gracious and toned it down A LOT for me. He will be missed by so many. God bless you!
