“ He was a regular at my auction. We will miss him, he was a sweet person.

“ No matter what David and I would say hi to each other as we walked the halls of HSHS. We would run into each other at auctions. Trying to find that one treasure that no one else wanted. Sometimes he wanted this and I would want something We would tell each other and not bid against each other. Sorry we had gotten out of seeing each other at the sales. We would miss out what we wanted but that didn't matter We had good memories of our Class of 1967 from HSHS
