“ Oh Dave, I feel that your passing is a horrible dream and I know it's one that's going to take time to heal from the terrible reality of not seeing you, laughing with you and crying with you!

No one will ever know all the memories of our friendship and what all we went through... **TOGETHER! WE MADE A GREAT TEAM** and my heart is breaking today!

God places people in our lives and sometimes we never know His reason why...but you and I knew...and we took His blessing of our friendship and ran with it beyond what anyone on earth could ever phantom!

I want you to know that I'm going to write that book...our book! **D & D... The Lives And Times OF Dave And Doris...In Our Hood...**

We did make a difference in it and our neighbors are already missing you too!

You will remain in my heart until I see you again in Glory...and I know I will as per the day of you drinking coffee out of my thermos, as I laughed and fed chipmunks on the rock wall of the Gorge...the day you asked God to forgive your sins and surrendered your life to Him...A day forever in my memory of you!

Thank you for making my life so much easier to live...knowing that I **ALWAYS** had someone to talk to...someone to be there no matter the need and someone who **ALWAYS** had words of encouragement when I felt like giving up on our neighborhood... You **NEVER** let me quit...and as your mom said last night..."He was my rock"...you were mine too!

I'm not here on the funeral home page to tell you goodbye...because I feel it won't be long before I tell you...**HELLO MY FRIEND!** I love you and will miss you until that glorious day!
