*Thank you all so much. You have no idea the love we both have for you all. You gave our family 15yrs 5mos and 27days of love and hate joy and fights and the ability to appreciate each other on a level most people spend a lifetime searching for. We raised five wonderful children together and tho we had hard times we always prevailed. We had the best roller coaster called life and all because of the love and knowing David lol sometimes the hate!! Errr but that's what made him our superman. Thank you for the beautiful plant. It is the one I cherish the most and always will till he comes back for me 🙏💕
He just ran out of spoons and I would have given him all of mine if I could.*

Much love to each of you that loved my husband my BFF my caretaker and my soulmate.

With Love,

Melissa Reynolds💕
