“ *Debbie and I shared a 50 year friendship which started in Fort Smith, AR at the age of 14 (8th grade). She always said, "You know Kathy, I'm the best friend you will ever have". Even though years would go by between phone calls or visits Debbie was right. I still considered Debbie one of the best friends I ever had. I loved her contagious smile, her big heart, and her quick wit. I will miss her the rest of my life. My deepest sympathy to Debbie's family. She will live on in our hearts.*
