“ Debbie was the nicest lady. I am so sorry she is gone at such a young age, but she is in a glorious place above. She will be greatly missed. You are amongst the angels now in peace!

“ Mommy, You will be greatly missed and you will always be in my heart. I will always do my best for you and will see you again later on down the road. I still can't believe this has happened, but then again, you are at peace and you have no more excruciating pain and suffering. I know the ANGELS are excited to have you. I hope it is as "extraordinarily wonderful" as I have read! Say hello to everybody for me. LOVE ALWAYS, TONYA

“ Grandma, You were the best grandma that anyone could have or ever ask for. Every time we were together, we never had a dull moment. Where ever we were, you could find a smile(: Everyone will miss you, but I will miss you a lot. It really hasn't sank in yet that you are really gone, but I'm sure I can make it through. Even though, in every Scrabble match we had, you beat me, I still love you... Remember the time we went to WalMart and stunk back to the toy aisle? You found the tonka trucks and I knew it was on. I stood in front of the camera while you tried to open the trucks so we could play and race. But we couldn't get the boxes open, so we gave up and went to the food aisle and got food samples(: I can remember so many. I can't believe that our good, happy memories had to end. I promise that I'll never forget our happy memories. I wish that they never had to end:(
