“ *I want the family to know that I have fond memories of going to Joe and Lanie's for some fine meals and fellowship with their family, of whom I felt I was an almost adopted member. John and i were always welcome to come by and visit, which usually involved a good meal and a lot of fun fellowship. My prayers are for Joe and Joe Joe and the rest of the family to have comfort and peace and fond memories of the "good times" they shared. I will always remember how I was treated like a little brother. May the LORD grant all the family peace and comfort. Eddie Culpepper*
