“ Dawn, Fawn and famalies,I was so sad to read about Dee's death. We had so many good times together when you girls were little and lived next door to us on Shady View. The last time I saw your mom she was working at Jason's and she looked so good. Please know that she will always hold a special place in my heart. My thoughts and prayers are with you and your families during this most difficult tiime.With love and friendship,Judy Sharp
