“ I remember when I was little he would always take us on fun adventures every weekend. He was always an amazing dad. He walked into my moms and my own life when I was still a baby, and I will never forget him. He was my dad, and he was the guy I looked up to. He will always be in my memories and heart. It has almost been a month since he left us, and I still can't believe he is gone. He took us to parks, trails, the lakes, and just to friends houses. He was and is an amazing human. We all miss you and love you Deon. You will be forever missed and loved.
