“ *My heart goes out to Dettrus' family for their loss. I met Dett a some years back via my best friend/his cousin Kisha. Dett became my mechanic as well as someone to debate with for no reason at all! LOL Gonna miss his presence, but I rest assured that this earthly loss is a heavenly gain. I pray for strength for the family collectively and individually.*

“ Dettrus was such a caring and loving friend. We always shared such intelligent conversations and he always called me mama while i was pregnant. He is mine and Kris' daughters god father and was a wonderful god father to her. Kris and I have really cherished his friendship and we loved him as if he was our family. We have a lot of wonderful memories from our old apartment with him and will continue to relive those memories. He is watching down on DJ and Aubree from heaven and we are blessed to have him as their guardian angel. We love you Dettrus and will make sure DJ is well taken care of! You will always be in our lives!! RIL!
