“ I will truly miss Lady Di.. I was so excited to come back to work at The Pines and looked forward to spending time with my girl!! I was so very fortunate to see her and talk with her before she got so ill. We had so many good times in 2020 and 2021. Diana always loved all the jewelry that I would make for her and she would be known to wear at all at once.. heaven has received a special angel, she may be gone in body, but she will forever hold a special place in my heart. Love you always Lady Di. Julie Lawhorn, RN
