“ *My dear sweet mother-in-law, you were the best! I was so blessed to be a part of your family. I am more than honored to be married to your youngest son, Bennie. He is a fine man. You were a great mother to all of your children. Ed has always been my brother at heart and Stephanie is a great sister-in-law. I will miss our many visits on your front porch watching the doves and leaves blowing. You were so easy to talk to about anything, and I'm so thankful for the time we had together. Although you are missed dearly, I know you aren't suffering and are rejoicing with our Lord, Jesus Christ. I bet it's beautiful up there. I will always hold onto the advice you gave me, and I will always honor my promise to take care of your son until the day I take my last breath. I love you and miss you, but I know I will see you again. Your kids do as well.*

*Love,  
Your daughter-in-law

“ My mother was such a kind and lovely mother. Anybody that had met her loved her to death. Everybody's always talk so highly of her. She's got a big heart. My mom would work two jobs if that's what it took to raise us. She raised my best friend growing up, both the boys had friends move in their singer year. You just couldn't ask for a better mother. I love you Mom

Today is December 21st 2024 and I'm just now finding out that 'Momma Burton' passed. My name is Greg Cannon and during my senior year 1983-84 momma took me in to live in her home when my own mother wouldn't let me live at home. She had 3 kids at the time, Eddie, Bennie and Stephanie. Even though it was a small mobile home she took me in so I could finish my senior year at Lake Hamilton. She worked hard at ABT bank to provide for us and worked next door at the Thomas' cleaning their house on weekends. She always had a meal waiting for us 4 kids in the evening. I call her Momma Burton because she did everything my own mom wouldn't or didn't. She loved me as her own is how she made me feel. Her two sons Eddie and Bennie are close friends of mine and her beautiful daughter Stephanie as well. She sacrificed her time, money, home and many other things just so I could have a place to live. Momma was such a likeable and giving lady. She gave me plenty when she opened her door to let me stay there. I loved Momma Burton because in my mind she was my mother. Just such a lovely lady. You will be missed Momma and thank you for stepping in as my mother and giving me a place to live all those years ago. You will be sorely missed and thank you for setting a fine example of how a mother acts and treats her children. I Love You, Momma.....Greg Cannon.....
