“ I was a childhood friend of Donnie. We shared a passion of off-road trail riding. With our motorcycles, we weekly rode at the Bowl on Loop 12, across the street at the rock quarry, Satans Staircase hill climb, and the trails at Rock Island road. This was the 60s when Loop 12 was just 2 lanes. He was a great mechanic and fixed my bike several times. He worked at the Carabella shop in Oak Cliff. I recently got back into bikes and hoped to reconnect. We had time in childhood for our hobby, then family and work separated us. I was hoping to reconnect in retirement and maybe get some rides in. We lived to ride in our youth. I connected about 10 or so years ago on Classmates. He was working at Racetrack and had a busy schedule. Another childhood friend gone. I will miss you my friend. The memories we made lasted a lifetime. I hope there are bikes in Heaven.
