

Donald Stinnett

January 15, 2011

Donald Stinnett passed away January 15, 2011 from lung cancer.

Donald was born in Kansas city Mo. And moved to Calif when he was eight years old. There he finished his education and went to work for Jersey Maid Dairy and stayed there for 43 years retiring from Safeway Foods in 1998. He moved to Hot Springs Arkansas and always dreamed of living on a lake. He made that wish come true. He loved to boat and ride around Lake Hamilton looking at all the beautiful homes.

Preceding him in death were his parents Edgar and Elma Stinnett, two brothers Carl Stinnett and Edgar Stinnett Jr. his daughter Elma Margene Stinnett and his great granddaughter Victoria Lynn Hughes.

Surviving him are his wife of 54 years La Verna Stinnett, a daughter Donna Lynn Gray and her husband Theodore Gray, his son Ronald William Stinnett Grandson Jason L. Gray and granddaughter Jennifer Elma Hughes and five great grand children.

Don was a wonderful father and lived for his family. He enjoyed having them around and especially enjoyed them when he moved to the lake.

His health kept him from doing many of the things he wanted to do, but he managed a few wonderful cruises.

His last wish was to see all of his family so Odessey Hospice set up care for him in Wichita Ks where his family were all gathering. The drive was long but he enjoyed spending time with each of his children and grandchildren.

His family want to thank Dr. M. Mullins for all the care through the years. Also Dr. Bharany and Dr. Patel and the Odessey Hospice care. We appreciate all of you.

Gravesite services at Rose Hills Cemetery in Whittier, California will be 1:00 PM Friday. Visitation will be 5:00 PM to 8:30 PM Thursday.
