“ I never had the pleasure of knowing Donnie, but I know his beautiful daughter, Kasey. I learned a lot of him by proxy. Kasey was sharing with me an ironic story... Both of our daddies gave us the same north star and said that God and he had a deal where he would keep it safe for us. Kasey gave her star to Chris and will keep the memory alive.

“ I loved his smile! Kasey, he was very proud of you. He told me so not long ago. You will keep his face, his voice, his smell, & his touch with you forever. This I know. Praying for peace for all. Love, Joni & John Massey
