*Thank you, Nancy. Yes, I have sweet memories from then, too. Big T, Little T and Jody! The "little gray house" when we were all so young!*

“ *Doug was one of the most Carrying and thoughtful person that I have known. Even though I've only known him for about 20 years I wish I had another 20 to share with him. Doug loveed to play golf. He loved and cared for his family. He liked to go to the ocean and just watch the waves come in. He will be missed by everyone who knew him.*

*Doug was always a jokester, like his Dad, Phillip. They both had a great personally. Doug passed 1 day after Phillip had been gone 10 years. They are together with their Heavenly Father now. My Mom, Jessie Bain, turned 97 a month ago. She is Doug's only living Grandparent. But.....  
"God saw he was getting tired and a cure was not to be. So He put His arms around him and whispered "Come with me."  
Thank you Doug for being my son. Your loving Mom*
