“ Although we didn't see Doyle here in the office at The Sentinel-Record, we knew he was doing a great job out on the routes that he and Betty ran. We never had to worry that the route would be done and done right! There is something to be said for someone who gives so much to help the lives of others, not just in work, but how many lives were touched by his incredible giving ways! What a loss for us, but what a great day of rejoicing that must be going on up in Heaven!

“ All the armies that ever marched...all the navies that ever sailed...all the parliments and congresses that ever met...all the Kings that ever reigned...all combined have not affected the life of man as powerfully and as meaningfully as Jesus Christ...and Doyle was a faithful follower and a wonderful example of a father, grandfather, husband and servant of Jesus Christ as I have ever known. Our hearts go out to you and your family at this time of loss, but Doyle is in the presence of Jesus this day and that should give you comfort and peace.

“ My sympathy to all the family of Doyle Beals. His parents were very good friends of our (Duncan) Family in their early years. While living in Bismarck, Monroe and Lilly lost a Baby and it was buried at Oak Bower, near our plots. My mother always "saw to" the unmarked grave and reminded us of it. We have the grave marked on the cemetery plot as " Monroe Beals' Baby". Marlene Duncan Hodges 501-865-4723
