“ *Dylan Sena was the most incredible young man/person that not only was a loss for ME and our family but was a terrible loss for the entire world, the most caring hard working young man that even made me learn how to live with out hate and anger but forgiveness for other's regardless of their way of life and treating others without prejudice! I love you and I'm sure that your watching over us all and you already knew where you were going and I'm sure your not gonna need to worry about the terrible breathing problems you had down here on earth! DILLY SENA THE KING! HAPPY BIRTHDAY MY SON*
