“ *Earl was more than a friend. We were brothers. I was lost without him by my side when he retired. My prayers and thoughts are with all of you. I will miss him . The good times we had are so precious to me. I thank God that he gave me Earl for over twenty years to work with by his side. To watch you kids grow up and become like your Dad would all any Father could ask. Dorothy I know you lost your soul mate. He loved you so much. Always know that God will bring you together again in Heaven.*
