“ Ed, You will be surely missed by all at Food 4 Less. You became a great friend for me back in the 90's. Always loved your personality and friendship. We would sometimes talk about your baseball background on the east coast in the 50's which I really enjoyed.
Rest in Peace, your old friend. Larry Pace

Exactly right.
When I met him years ago, I went into Food 4 Less, he kept looking at me. He then asked me if my dad was Willie Curtis. I said yes sir. He said to me, well hello cousin. He then told me how we are related to each other. He said that he hasn't seen me and my parents since before my dad passed away. This was the first time I went into that store.
He even got my son interested in baseball and other sports.
He loved people
