“oops that was supposed to say aunt Edna hey.. Quite the opposite of Uncle Bill!! He was a rambunctious wild kind of a guy.. always a joker!! My aunt Edna would always say, now Bill!  
I had so much fun going to your mother's house in the country. We would always have to dig ticks out of our legs! Thank you for showing us a different world! I'll never forget the well water was so delicious. And the whole made pies.
