“ I was a nurse at the old OMH and whenever Ed would bring a patient he was so kind to the patient and family. He would always come back and check on the patient if they had been admitted to the floor. He always had a smile never had a bad word about anyone. Even when you ran into Ed and Marsha he always had a smile. You will me missed.

“ Sorry to hear the passing of my friend. I learned alot about the in and outs of the EMS system while he was my shift captain, and then later when he was appointed the director of the Ambulance service. There is alot of memories, and seems like most of them are positive, and the most positive is I knew Ed Moss. Prayers to the Moss family, Tim Hoover

“ Ann (Mom), Debbie & Pam: You are in my prayers & thoughts, that God will wrap each of you in His loving arms & fill you with His unending love & grace. I have not seen you in a long time but still think of you often & even tried to find you on facebook. You & Ed were such a big part of my life when I was in my 20's, and I will always cherish the times spent in your home (on Malvern Rd.) with your family. Ed was the love of my life at that time and my big cuddley teddy bear. Sending special love to a very special family. From the bottom of my heart. Randi Hutzal Wright Phil. 1:3-6 II Corin. 1:2-7
