I'll never forget the Halloween party (SPOOK HOUSE) we had at the VFW post 2278...Eileen dressed up so scary that you really had no idea who she was...she was laying so still then popped up out of a make shift coffin and literally scared you to death...she was a big hit anyone that was there will remember this and smile for sure .. she was a very spiritual lady ..while I was undergoing my treatment for cancer she would pray for full recovery...I'm healed and I know it was prayers from a her and others that ask for it to be God's blessings cast upon me ..I mean every time I saw her we'd pray before my departure... AWESOME LADY ... You are loved and will be missed by me and everyone that knew you ..love you my friend RIP...you are with the father now ...
