“ My prayers are with the family and may God grant you peace at this difficult time.  
Libby became a friend back in the early 50's when we were in Junior High School and we graduated together with the incredible Arkansas High School Class of '57. She had a wonderful personality, was intelligent, gorgeous, and a popular member of our class. I remember watching her many times as she led the school marching band as an awesome majorette. The last time I saw and talked with Libby was at a class reunion some years back. She was indeed a special person.

“ I knew Jim and Libby well in our younger years. They were both fine people and I was proud to know them. With their help I took Jerry Lee Lewis on Lake Ouachita at Spillway Landing in May 1972. It was a fun and memorable moment (one of many). God bless Libby, James and the rest of the family who I never met. God Bless You, Tommy Truett
