“ I wanted to say thank you Aunt Libby for the last 6 years of memories! Although I was to care for you, you did so much more for Benjamin, Daisy & myself..by allowing memories of watching your old tv shows while you answered a million questions, most from me. We talked so much about life long ago & our future wishes. Nothing can take away what we shared in the 6 years we were honored to keep you, our bond outgrew our aunt/niece relationship and I will cherish that the rest of my days!!! We love you Aunt Libby and you will be forever missed!!!
