“ Dear "Aunt Ella",

You've been around a long, long time and have seen so much in history.

We never met but I have been hearing about you through extended family for as long as I can remember! I think you managed to keep a sense of humor through all of your life. Stories my sister would tell me about the things you would say when they visited always make me smile.

You deserve a rest, as anyone who has lived 99 years, would!

Be with Jesus, Aunt Ella.

Love,

Sherril Green
