“ To Jason Clenney and the rest of the family: It saddened me to read of the death of this lady. I did not know her, but do consider Jason a friend of mine and we were associated when he was with Immanuel Baptist Church in Sheridan and also when he did some apprenticeship embalming at Memorial Gardens Funeral Home in Sheridan. From reading her obituary, it's clear she was certainly a Godly woman and those traits trickled down to her survivors. Remembering the family in my prayers during this time of sadness. ~~~ Ed Carey ~ Sheridan, AR

“ When I was a kid I would come to your house with my grandma and had the most amazing time in your garden!!! I would fish in your pond covered in the most beautiful lily pads!!! I seen my first sunflower in your garden, it was taller then me. I thought about your godly garden throughout my days, and now I see you walking through that garden with God. God bless the family and my prayers go out to everyone. Your Great Niece Brooke
