“ I met Lynn Vincent many years ago, when I came to Hot Springs, to be with my family. He was the love of my life, for over 5-years ago. He had beautiful blue eyes, a deep voice, and a zest for life. He ended up marrying my best friend Marilyn Jones, with my blessing. The memories of drinking beer@the Cozy, with his best friend's Dr.Bucky & Barbara Burris, I learned " when all else fails-caulk it" He will be missed by many. My sympathies I extend deeply to his family. Always with love, may God Bless you.. Ms. Betty Lou Ligon (254-317-3009)
