“ Tonya and Earnest, I don't even know if you will ever see this, but I just found out Emily passed. Maybe you remember me. I used to take care of her when she was 18mos to 2 yrs. I have thought of her often throughout the years. I know firsthand that even with as much time that has passed, the loss of her is a sad and heavy burden to carry. I know you are strong and some days it may seem that your strength is failing, but just like Emily's name, have faith that you can carry on. Love to you all, Teresa Stevens

“ I am sorry for your loss and for the pain that I know you must feel but I can't help but smile at the vision of Emily running and playing in heaven with a great big smile on her face enjoying all the things that she was never able to do here on earth...no more pain, no more sickness...such a precious soul :). God bless you all!
