“ This picture is a little blurry, but I had to share. The Perkins family and my brother, Logan Lacy & wife Michelle, went on a Carnival cruise to Mexico @ two years ago. I'll never forget how mesmerized and intrigued Emma was on the trip! Lots of great fun people watching, the whole family at evening meals, & the ocean views, but the highlight for her was the ice cream machine that was available 24 hours!! She snuck out while Jerry was in the shower to go get one lol. I'm so thankful we were able to make this trip and have those memories of our time together. I also want my father in law Jerry, to know how much I admire, honor, respect and love him!!! You and Emma's love has shown me how true Godly love between a husband and wife is! I pray for peace and comfort for you (Greg) in the days to come and hope you have some comfort knowing that your beautiful and precious wife(mother) is rejoicing and anew in the company of the Lord and those who have passed before her!!! These prayers include Emma's entire family! Much love to you all!
