“ Ms Kelley was one of the sweetest ladies I have ever met. She trained me on the switchboard at NPMC many years ago. Simply amazing person. If you knew her you loved her! Prayers for peace and comfort fir all family and friends.

“ I have been her hairdresser for 37 years  
I have so many memories but my favorite one is every time she needed a haircut she would always bring the same picture. She did this for 30 years to make sure I wouldn't give her a moon face lol!  
And at Christmas time she was always joking. She would hand out reindeer, poop to the other girls. and I would get the fudge if anybody knows her knows she is the fudge lady.  
It's not gonna be the same on Wednesday at 9:30. I'm going to miss seeing that smiling face. I love you Ms Kelley rest in love.

“ Family and friends, Sorry to hear of your loss  
I remember her as always having a smile and being a kind and sweet person. I worked with her at Ouachita Memorial and I picked her up in the winters when there was bad weather and she couldn't get to work.  
Prayers for the family, I know she will be missed, God Bless.  
Sincerely, Noah
