“ Dear Peggy and Sam and families, I do not think you will ever know the influence that Eunice had on my life. My ministry through the Jolly 60's and Golden Oldies was all because of the training that Eunice gave me. My work in the music ministry of our churches over the years, was again, because of Eunice. Teaching me and giving me assurances that I didn't have otherwise. She was one sweet, precious friend that I am really going to miss. Way back as a kid she was our Girl's Guild leader. What more can I say than that she was a spiritual mentor in all these areas. All of us who knew her are saddened by her leaving us. So, so , thankful that she knew her Lord and Savior and is now up there in heaven with him ----- and also my husband, and many others who have gone on before. So, thankful for all of those years of friendship and blessing she was to me. Mavis Wesson
