“ Amy, Jim & Jeannie, I know you remember when your Mom was younger and full of life. She was full of Joy and could not sit still. Remember her like that because that's how she is not in heaven. She is healed and dancing in fragrant flowers as she praises the Lord. Thank you for chosing this picture of her. She is so radiant in it. May God bless and keep each of you as long as you live. We love you. Fran & Al
