“ Evelyn

*This last year or two especially I grew so close to you. I never really had a mother growing up and if I could have ever chosen who my mother would have been it would have been you! It doesn't seem real but I know you are in heaven with your husband Harold. I love you so much and miss you every day. I wait for your phone call. I will see you again till then walk with the angels you were my angel my blessing in my life. Dora Barrett*
