“ Evelyn and Leland were dear friends and neighbors to my grandparents, Roy and Nell Greenwood. We grew up drinking milk from their dairy delivered to our back door by Leland. They made a huge impression on our childhood and family with their work ethic, kindness and friendship. They are together again with our Father and forever in my heart.

“ Evelyn was our neighbor for seven years and I have always found her to be one of the kindest and sweetest persons I have ever known. She had a positive approach to life, and I never heard her say anything negative about anyone. Gary and I feel that it has been an honor to know her and we will treasure our friendship forever.
